#### **HEALTHY HIRING CLIMATE ANTICIPATED FOR MISSISSAUGA**

(Mississauga, ON, March 13, 2018) – Mississauga area employers expect a healthy hiring climate for the second quarter of 2018, according to the latest ManpowerGroup Employment Outlook Survey.

“Survey data reveals that 17 per cent of employers plan to hire for the upcoming quarter (April to June), while zero per cent anticipate cutbacks,” stated Maple Kyriacou of Manpower’s Mississauga office. Another 77 per cent of employers plan to maintain their current staffing levels in the upcoming quarter, while the remaining six per cent are unsure of their hiring intentions.

“With seasonal variations removed from the data, Mississauga’s second quarter Net Employment Outlook of 20 per cent is a five percentage point increase when compared to the previous quarterly Outlook,” said Kyriacou. “It is also an increase of 11 percentage points compared with the Outlook reported during the same time last year, indicating an optimistic hiring pace for the upcoming months.”

“The second quarter of 2018 is expected to see steady gains for Canadian job seekers,” said Yvonne Tennenbaum, Regional Director for Manpower Canada. “While Canada experienced a net loss of jobs in January, prospects for the upcoming quarter remain strong, led by exceptionally strong growth in Quebec where employers are hiring across multiple sectors.”
